

**"It's exciting, dramatic,  
and generates a lot of fun"**

## SMARTargets – Bringing Golfers Together

Golfers love to shoot at targets. Especially SMARTargets\* that test the skills golfers require between 200yds and the green. Targets light up when hit and can keep score. Place targets at your chosen locations and play for fun or competition – **that's STAR Golf**

SMARTarget	yardage
Large approach / pitch (30ft)	75 – 200
Medium pitch (20ft)	50 – 125
Small pitch / chip (10ft)	5 – 50
Bump 'n run	1 – 25
Knockdown / flop shot	1 - 25

Step up to the tee. See the large SMARTarget\* at 125yds which lights up when hit. Add a gallery of 100+ competitors and supporters within 20ft of you. Feeling maximum pressure, you clear your mind and swing. Players with the most successful hits shoot it out in a final round – **that's a STAR Golf Tournament Shootout**
