

SMARTargets BRANDING

branding with SMART targets offers visibility when the entire field is congregating and engaged

SMARTargets require skill and performance under pressure - attributes which align with corporate identities, culture and employee profiles
 SMARTargets are used in fun, social, group events - the target audience is competing and socializing in one place and focused on your branding
 SMARTargets provide a perfect blank canvas for prominent branding and messaging

dimensions of logo / message

KNOCK down	8ft across x 2-4ft high (or 8ft x 6ft to cover entire SMART target)
BUMP 'nrun	2 ½ft across x 2-3ft high
Sign	2ft – 8ft across x 2 – 8ft high
Bespoke	tell us what you want and we'll try to make it happen

Temporary and Permanent Branding

branding is printed on mesh for wind protection
 drone visible branding for APPROACH-30 & PITCH-20
 permanent branding is printed during production
 temporary branding is printed separately
 tell us what you want and we'll try to make it happen
