

SMARTargets After Dark

Create fun and social golf evenings which offer the kind of challenges golfers find exciting. Shootouts, short game glow ball, bet on the pro's and more. Excitement and engagement for players and crowds.

Targets Light Up When Hit

Shoot at STAR Golf's SMART Targets. Illuminated targets light up when hit and can keep score for fun and competition.

Luminous Golf Balls

Hit real range balls that you, your team and guests can track through the night sky.

Real Golf Fun w/ Friends

Join one of the teams on the night. Along the way, have a few drinks and appetizers and enjoy the music and fun.

Nightclub outside for golfers and everyone. Tee-box, driving range, school field, back garden Set up SMART targets, light up the area with our PARTY kit including luminous golf balls, hook up the blue tooth speakers, get the drinks flowing and create a unique party that is has it all
