

SMARTargets BRANDING

SMART targets offer visibility when the entire field & spectators are congregating

the games require skill and performance under pressure – attributes which align with corporate identities and culture the fun, social, group events SMART targets enable are exactly the type of environment needed for positive association SMARTargets provide a perfect blank canvas for prominent branding and messaging without distraction Have your own branding idea? Let us know here at STAR golf and we will do our best to help your out.

temporary and permanent Branding
 branding on mesh for wind protection and weather resistance
 drone visible branding for APPROACH-30 & PITCH-20
 permanent branding printed in production directly on material
 temporary branding is printed separately and more flexible
 tell us what you want and we'll try to make it happen
